

GLASGOW BATTALION

The Boys' Brigade

ANCHOR SECTION ACTIVITIES

ART COMPETITION

Easter

This is the second of this session's Anchor Section art competitions.

We are asking that your Boys use their own creative skills to decorate a paper plate.

Give each of your Boys a plate (standard size is about 9") and have them decorate it along an Easter theme. They can use pens, pencils, crayons, paints, or anything else, all we'd ask is that once decorated (and if appropriate left to dry) they can be stacked.

Please ensure that each entry has **name (first name and surname), school year (P1, P2 or P3)** and **company number** written on the back.

Entries should be returned to the Battalion office by Monday 1st April.
