Notice is hereby given of the Meeting of The Battalion Council to be held in the Baird Suite, Hampden Park, Glasgow, G42 9BA on Tuesday 12th November 2019 at 7.30 pm.

SEE LOCATION MAP - OVERLEAF

All Leaders and Young Persons serving within Companies of the Battalion together with those additional persons who are members of any Committee or District Council formed by Glasgow Battalion Rules and who hold a current registration with the Brigade are invited to attend.

The enclosed update provides Companies with information on the Brigade UK Strategic Review, announced at the Swansea Council event. At a time when many Sections are reporting increases to Anchor Section membership and encouraging uptake of the new Under 11's programme material it's vitally important that we are able to take stock of the wider position within our Districts and Battalion. This will allow us to feed in to the Regional & National conversation ensuring that resources and support can be directed at the most important part of the structure, the Company.

Whether a regular or regular attendee at Battalion Council, or if you haven't attended before we would encourage your Company to be represented. The Agenda is shown overleaf and we do have some items of normal business, however as this is the first meeting of the session many of these will consist of written reports allowing an early opportunity to move on to the main discussion points. The more Leaders we have in attendance will provide more opportunities for solutions to the current challenges to be identified.

At Brigade Council in September one of the quotes from the survey carried out as part of the Strategic Review was 'When the Boys' Brigade works, it works well, and there is nothing better'. This is a chance for everyone to be part of a solution to ensure that we can continue to be the best organisation that gives our children and young people an opportunity to 'live life to the full'.

I hope to see you on the 12th.
