

## Glasgow Battalion Junior Section Activities 2019/20

### Kip on The Ship

Friday 6<sup>th</sup> – Saturday 7<sup>th</sup> March 2020

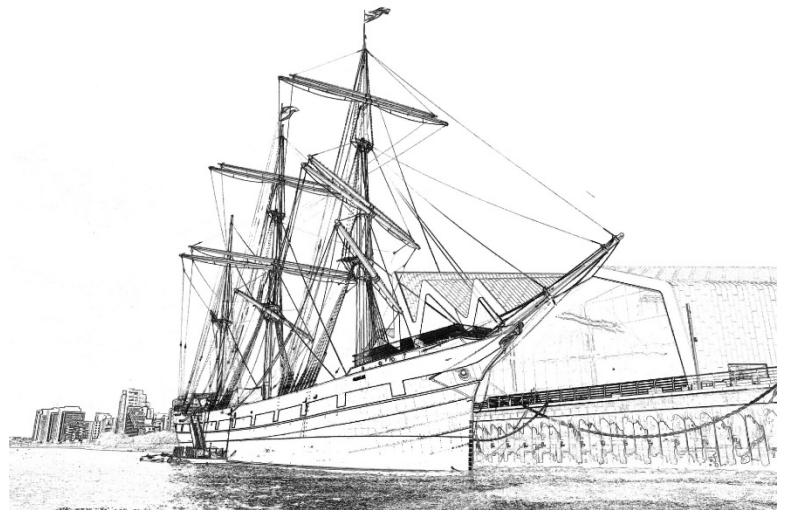

The Glenlee tall ship at the Riverside Museum

Cost: £20 per Boy

The Glenlee is the Tall Ship moored next to Riverside Museum. We have arranged a 'Kip on the Ship' sleepover for older Junior Section Boys here, overnight Friday 6<sup>th</sup> March into Saturday 7<sup>th</sup>.

Arriving at the Glenlee for 7pm, there will be a tour of the ship, various games and activities, followed by supper & epilogue and then kip down below decks. Boys should bring a sleeping bag.

Rise on Saturday morning for a continental breakfast and you'll be leaving the ship at 8am allowing it to be readied to open the museum to the public as normal.

We have given priority to Sections who responded to our survey last summer about attending a sleepover at the Science Centre. If your Section has already given us an indication of numbers then please return the fee of £20 per Boy. We have some places remaining which will be available to all Sections, to express interest and add your Section to the waiting list please return the form. You must have at least one registered leader attending, leaders places are free.

As part of our support for other local charities we would invite those attending the "Kip" to bring along one item for the local foodbank, this could be a tin or a packet of dried food.
