Training Course for Leaders

Required for teaching Heartstart course

Heartstart Instructors Course

Sunday 16th September 2018

Venue: Battalion Headquarters, Ibrox Parish Church

Time: 2.00 pm - 4.30 pm

What is Heartstart?

Heartstart is a programme from the British Heart Foundation which teaches people of all ages about Emergency Life Support. A Heartstart course lasts two hours and covers emergency response and resuscitation techniques. Running a Heartstart course within your company is an excellent way to cover the Emergency Aid topic in the Discover Programme.

What is the Instructors course?

This course is intended for those wishing to teach Heartstart within their Company, a basic knowledge of first aid is required for participants before attending. After successful completion of the course, participants will be certified Heartstart Instructors and will be able to make use of the Heartstart equipment held by the Battalion.

Certification lasts for three years, if you last attended an Instructors course in 2015 or earlier and haven't already renewed then you should attend this to renew your Instructors certificate.
